Dear Cool Hill Park Property Owner:

The purpose of this letter is to inform you of the changes that were made to the pier end boards this past winter. These changes were approved during the June 2013 Annual Meeting. The minutes are posted on the website [www.coolhill.com](http://www.coolhill.com).

The end boards were removed from the piers eliminating the ability for any watercraft to park at the end of the piers.

**Pier 5 is the only pier with end boards remaining and IS FOR TEMPORARY MOORING ONLY.**

**Temporary Mooring shall not exceed 1 hour.** Any watercraft exceeding the allotted time or any watercraft blocking access to other piers or slips shall be assessed a fine.

**A \$500.00 fine will be assessed for each violation.**

It is your responsibility to find alternative locations on the lake for your watercraft if you do not adhere to the recommended Boat Restrictions and result in blocking access to the other piers or slips.
